

BUCKINGHAM PALACE

To: The Staff and Children of York Nurseries

The Queen wishes me to write and thank you all for the splendid card and lovely pictures which you have sent on the occasion of her eighty-second birthday.

Her Majesty liked your works of art very much and greatly appreciated the great care you have taken to make them especially for her.

I am to thank you all most sincerely for your good wishes.

Jary Jorison.

Lady-in-Waiting
